Cancer Hope Offerings

Below are the ways in which Cancer Hope offers support to individuals and families dealing with cancer:

- **Prayer Partner:** Prayer Partners are assigned a survivor to support with prayer and cards, especially during times of treatment, surgeries and test results. Hospital visits and pastoral counseling are also available at no charge upon request.
- **Cards:** The Card Team sends several cards and notes of encouragement to those battling cancer each week—a tremendous emotional and spiritual lift for survivors.
- **Text Messages:** The Texting Team sends quick texts of support and encouragement to let the survivor know that they are being lifted up in prayer. *Please Note: Due to the number of messages received, survivors or family and friends need an unlimited texting plan.*
- **Handmade Items of Hope:** The Creations for Christ Team knits, sews and crochets prayer shawls, blankets, hats, tote bags and other handmade items for all survivors.

Thank you for your interest in Cancer Hope. We are deeply sorry that you, a family member, or a friend is battling cancer.
